

Welcome Aboard, Illini!

We are the Champaign-Urbana Mass Transit District (MTD), your public transit provider serving campus and the community. Our goals for serving campus include high frequency, easy-to-learn routing, and late night service. With a valid iCard, University of Illinois students, faculty, and staff have unlimited access to MTD bus service on 25 routes across campus and throughout the community, including fixed-route buses and on-demand van service. Whether you are hopping aboard to get to your afternoon biology class or you want to head off-campus for some shopping, MTD will get you there. We look forward to serving you while you are here with us – welcome aboard, Illini!

Quick Tips for MTD Success

Don't know the address of a bus stop? No problem. Just enter a street name, business name, or nearby landmark, and our Trip Planner will get you there. Visit mtd.org to plan your trip today!

Your UIUC ID (iCard) is your bus pass. Please be ready to show your Operator a valid iCard or UIUC ID in the Illinois App before boarding at locations that are not iStops.

Out late studying? Download the MTD Connect app to request an on-demand SafeRides van to get you home safe when a bus is not available.

Rainy day? Flat tire? Too tired? Don't worry, you can tag-team your bike ride with MTD service anytime. All of our buses have bike racks.

CREATE AN MTD ACCOUNT FOR SERVICE ALERTS!

1. Visit mtd.org and click "Log in" at the top right corner.
2. Use your **Google Account** to sign in.
3. Click "Alerts" to set up your contact preferences.
4. Verify your phone number and opt in for email and/or text alerts.
5. Choose your favorite and most traveled routes to monitor.

BUS STOP
This is an iStop. No fare required.

Plant Sciences
McKinley
MARYLAND
PAR
FAR
ORCHARD
Orchard Downs

Regular Route
iStop Corridor
Orange striping is used on maps to identify iStop service on that route.

iStops improve efficiency on campus by offering expedited boarding for all passengers at busy stops. At iStops, it is unnecessary for anyone to pay a fare or show a pass or ID.

An iStop can be identified by an orange bus stop sign or iStop decal on signage within bus shelters. The iStop corridor is also shown on route maps with an orange stripe running parallel to the iStop portion of the route. Please keep your iCard with you because you will be asked to show it when boarding at stops outside of the iStop corridor (white bus stop signs).

All routes at designated iStops are eligible for this enhanced boarding procedure. iStops are located on and near the University of Illinois campus, as well as at The Linc, Onyx, The Retreat, and Campus Circle.

Bus Stop Info

Go to the homepage of mtd.org and enter your location or tap the "nearby" icon. Once you find the stop you're looking for, tap "More about this stop," and you're off.

Information Kiosks

No phone? No problem. Many of MTD's busiest bus stops have information kiosks that provide the same real-time departure information available on mtd.org and in apps.

Text-My-Stop SMS Service

Text your four-digit Stop Code (displayed on a bus stop sign, at a bus shelter, on a schedule, or on mtd.org) to **35890**. You will receive a text back within seconds containing real-time departure estimates for your stop.

Apps

MTD has an open API so third party developers can create apps using our data. In addition to scheduled departure times, Google Maps is also equipped with MTD real-time and reroute data!

MTD Service Calendar

MTD services do not operate on these holidays:

• Labor Day	First Monday in September
• Thanksgiving	Fourth Thursday of November
• Christmas	December 25
• New Year's Day	January 1
• Easter Sunday	Varies annually every Spring
• Memorial Day	Last Monday in May
• Independence Day	July 4

No evening service is provided on:

• Christmas Eve	December 24
• New Year's Eve	December 31

To coincide with the University of Illinois' academic calendar, bus service is reduced during all UI breaks, including Fall, Winter, Spring, and Summer.

Affected routes include: 1 Yellow Hopper, 2 Red, 12 Teal, 13 Silver, 22/220 Illini Limited (Ltd.), 130 Silver Limited (Ltd.), and SafeRides Connect. There is also no Late Night service after mid-night on the 50 Green, 100 Yellow, 120 Teal, 130 Silver Ltd., and 220 Illini Ltd. In addition, there is no Sunday Evening or Late Night service on the 50 Green, 100 Yellow, 120 Teal, 130 Silver Ltd., and 220 Illini Ltd.

What is Hopper Service?

MTD has three routes on campus which include Hopper service: the 10 Gold, 5/50 Green, and 1/100 Yellow.

Hoppers can deviate a bit from the usual path of a route and are intended to provide greater frequency to high-demand portions of the parent route. When you see 'Hopper' added to a route name, it indicates a bus that does not travel the entire length of the route. If you wish to travel beyond the 'Hopper' portion of these routes, you should board a bus which does not include 'Hopper' on its destination sign. On the map shown above, the regular route is shown as a solid color, and the 'Hopper' portion of the route is highlighted with a striped line.

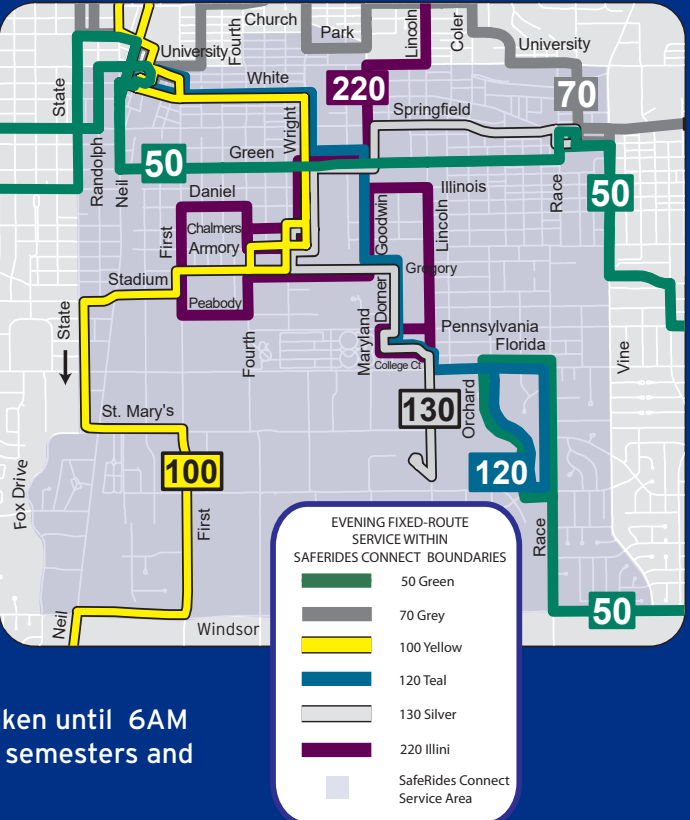

SafeRides Connect

SafeRides Connect is an on-demand van service providing a safe ride for individuals (or small groups up to three people) traveling at night in areas of the University of Illinois (UI) campus where standard bus service is unavailable. Trips must be within the designated SafeRides boundaries (see map).

Trip requests will be taken until 6AM during UI Fall & Spring semesters and 12AM over breaks.

SafeRides operates during the UI Fall & Spring Semesters. During breaks, (Fall, Winter, & Spring), service is reduced. During the UI Summer Sessions I & II there is no SafeRides service.

To ride SafeRides, just present a valid iCard.

A SafeRides request is not eligible and may be denied if the trip:

- Travels out of the service boundaries
- Includes more than three people
- Duplicates fixed-route bus service
- Is going to or from bars
- Is for emergency medical transport

Call 217.384.8188 for assistance or request a trip in the MTD Connect App (Powered by Via)
